

**FIEC MEMBER SURVEY
ON THE FOX ISLANDS WIND PROJECT**

The Fox Islands Wind Project has now been in operation for five months and the Board of Directors of the Fox Islands Electric Cooperative would like to ask you to complete this survey so that the Cooperative can get a better idea of how the community feels about the wind project. As the Board continues to work with Fox Islands Wind, state regulators, sound experts, and our neighbors, we would like to get a sense from our community members of their feelings about the Wind Project and the issue of the sound impact of the turbines. All responses will be kept anonymous. We appreciate your time and feedback and look forward to sharing the survey results sometime this summer.

Please return your survey to the Coop by June 7, 2010.

1. How many months per year do you live on the island?

- | | |
|------------------|-----------------|
| a. Zero to three | c. Six to nine |
| b. Three to six | d. Nine or more |

2. Have you noticed any change in your electric bill since the Project began operation in December 2009?

- | | |
|-----------------------------|-------------------------------|
| a. No change | c. Yes, my bill has gone down |
| b. Yes, my bill has gone up | d. Not sure |

3. How close is your home to the turbines?

- | | |
|-----------------------------------|-----------------------------------|
| a. Less than a half mile | c. Between a mile and three miles |
| b. Between a half mile and a mile | d. More than three miles |

4. Can you hear the turbines from your home?

- | | |
|--------|---|
| a. No | c. I have not been to the island since they began operation |
| b. Yes | |

5. If you answered yes to Question # 4, how often can you hear the turbines when they are in operation?

- | | |
|-----------------|-----------------|
| a. Occasionally | c. All the time |
| b. Often | |

6. Have you been to the site or to a neighbors' house to listen to the turbines?

- | | |
|--------|-------|
| a. Yes | b. No |
|--------|-------|
